Work Experience

Robotics Team 8717, Thompson Falls, MT

Team Captain

11/2018 - 1/2020

Brought the team together weekly to meet about our progress and work on strategies for success
Recruited new members to the team and helped integrate them into their respective subsets
Coded the entire robot from scratch and taught myself how to use new coding languages and softwares.

Old Town School of Folk Music, Sound and Customer Service, Chicago, IL

09/2016 - 5/2018

Open Mic Coordinator

Set up and broke down the equipment used for open mics including, microphones, amps, and other equipment.
Checked people in for their open mic spot and made sure we had the equipment they needed.
Advertised the open mic through social media and word of mouth.
